If you arrive by train:

From **TERMINI STATION** you should take **Line A** of the subway direction **ANAGNINA**. Your stop is the fourth one called **RE DI ROMA** and from there just follow the **red line** that is indicated on the map (100 mt.).

If you arrive by plane to Fiumicino airport "Leonardo da Vinci":

Inside the airport you will find the train station. You have to take the train **FIUMICINO-FARA SABINA** or **FIUMICINO ORTE**. Let's get off at **TUSCOLANA STATION**. Outside the station just follow the **green line** on the map (300 mt.). The train takes half an hour from the airport to the Tuscolana Station. There is one every 15 min. and it costs 8 €.

IMPORTANT: from the same train station inside the "Leonardo Da Vinci" airport you can also take a through train to **TERMINI STATION**. This train takes the same time of the first one, there is one every 30 min. and it costs 14 €. If you arrive in **TERMINI STATION** you have to take the underground (see the previous direction).

If you arrive by plane to Ciampino airport:

Just take a shuttle-bus to **ANAGNINA** underground station. From there take the metro until **RE DI ROMA**. Outside the underground just follow the **red line** on the map (100 mt.).

If you arrive by car:

from the highway take the Rome "GRANDE RACCORDO ANULARE" (GRA) following the **FIRENZE-L'AQUILA** direction. Get the exit number **14** of **GRA**. After few Kms follow the **SAN GIOVANNI** direction. Now you are on the "tangenziale est". Cover it until you'll meet the traffic lights. Turn on the left: you are here (via Monza)

P.S.: if you need, I can reserve a taxi for you: 35 € from CIA airport, 45 € from FCO one.
